

# A GOOD UNION MEMBER STRIVES TO:

**LEARN** about union rights and benefits.

**SPEAK UP** when the employer violates the contract.

**ATTEND** union meetings, ask questions, and help shape union policies.

**STAND UP** for co-workers in disputes with management.

**HELP** with pickets, community outreach, and other activities that build union power.

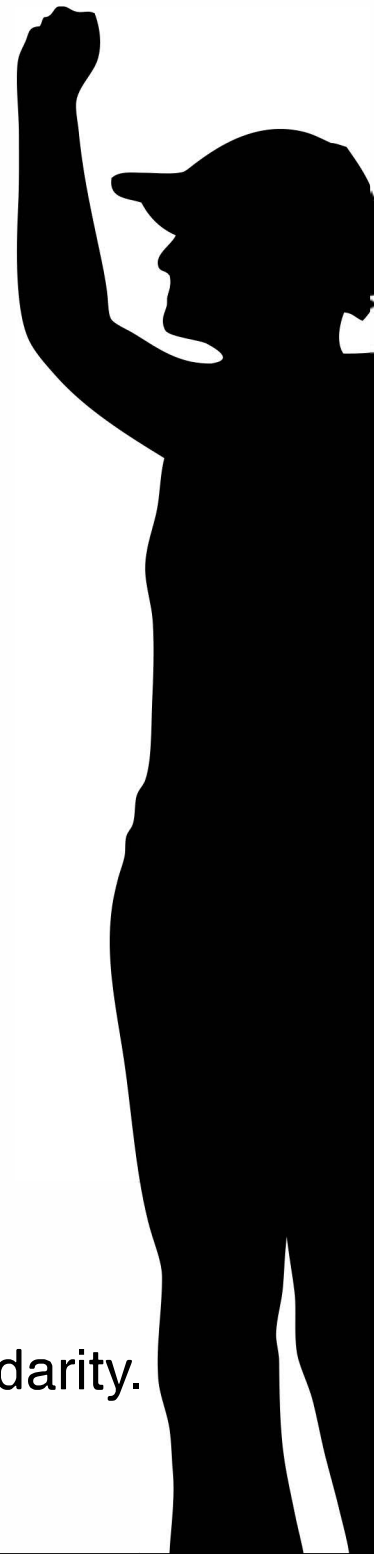

**RESPECT** fellow workers regardless of race, gender, age, national origin, religion or sexual orientation.

**READ** union publications, social media and notices.

**SUPPORT** political candidates who back labor's agenda.

**HEED THE CALL** when sister unions ask for solidarity.

**WORK SAFELY,** do your share and help others.
